April 18, 2018

Dear Valued Customer,

Please be advised that Honeywell Silent Knight will no longer be offering the 005700, 005808, 005820XL or 5820XL-EVS fire alarm control panels (FACPs) after June 30, 2018. In place of these legacy panels, we recommend ordering the new line of 6000 Series FACPs as indicated in the chart below. The 6000 Series FACPs meet or exceed performance and quality of the legacy models and are backwards compatible with existing Honeywell Silent Knight installations.

Legacy Part No.	New Part No.	New Part No. Description
005700	006700	100-PT ADDRESSABLE FIRE ALARM CONTROL PANEL
005808	006808	198-PT ADDRESSABLE FIRE ALARM CONTROL PANEL
005820XL	006820	1,110-PT ADDRESSABLE FIRE ALARM CONTROL PANEL
5820XL-EVS	6820EVS	1,110-PT ADDRESSABLE FACP AND EMERGENCY VOICE SYSTEM

Thank you for your business and continued support,

Matt Hammer
Channel Marketing Manager
